

AC™ POWER 7300

Take your authentic cycling experience to a whole new level with our AC Power bike! Ideal for metric focused group cycling, our power bikes include the amazingly accurate 4iiii® crank arm powermeter, the new Echelon 2G console and a built-in generator, making these bikes a power-house within the cycling community. When you want the feel of a road bike, choose the AC Power, featuring our Carbon Blue belt which replicates a chain drive.

CARBON BLUE DRIVE SYSTEM

The CARBON BLUE BELT replicates the feel of a traditional chain drive giving the rider an authentic outdoor experience. The belt never requires lubrication, tension never needs to be adjusted and the carbon fiber reinforcement is incredibly durable. Our 10 Year Warranty is the longest of any belt or chain on the market.

INNOVATIVE AND POWERFUL

Schwinn's Echelon2G consoles utilize direct power and can be connected to a group display or leaderboard system via ANT+. The 2G is an eco-friendly, self powered console that does not require batteries. It comes standard on our AC and SC Power bikes.

FEATURES	
PRODUCT WEIGHT	110 lb (50 kg)
SHIPPING WEIGHT	113 lb
PRODUCT FOOTPRINT (LXWXH)	42 in x 21 in x 51 in (107 cm x 53 cm x 130 cm)
